“ I just want to say to Vi's family that I SO enjoyed working with your Mom at the PVH thrift store!! We had many great conversations and much laughter. I also did talk to her occasionally by phone when she was at Good Samaritan. She kept asking me to bring my Mom age 92 and come to visit her there again but I only got there once. I do regret the fact that I didn't get there again. She was a super person and just wanted you to know how much I cared about her.

“ Gary, Donna, & Roene, I can't tell you how many wonderful memories I have of your mom. As "alley neighbors" in 1961, we became instant friends. I will always treasure those memories and I feel blessed to have known her. Our deepest sympathies,

“ We extend our deepest sympathies to you at the home going of your mother and grandmother. She lived a long and productive life and while it is hard to let go of the most tender of relationships, you will find comfort in knowing she is now in the presence of her Savior and re-united with your Dad. May God comfort you in the days and weeks ahead as only He can do. Jn 14:1-6
