“ Carol and family, I was so sorry to hear of the loss of your wife, mother, grandmother and friend of so many years. My heart goes out to you and yours. You know in remembering things of your mother I can remember when I cleaned house for the two of them it always made her smile when I would come in and do her floors just the way she liked them. It gave me much pleasure to get to know her. Our prayers are with all of you. Margaret DelaRosa

“ To family and friends of Virginia Seaman, I read of your loss and my heart went out to your family. What a fine example of love and care her husband of 66 years. The picture of Virginia speaks warmth and kindness. Wonderful qualities in today's world. I have shared with others two wonderful scriptures that afford great comfort at times like these. 2 Cor. 1:3, 4 which speaks of "the God of all comfort, who comforts us in all our tribulation." and Isaiah 51:12 "I - I myself am the One that is comforting you people." Treasure your special memories of a loving wife, mother, grand mother, sister and friend to many. Please know you are in the thoughts of many.
