“ I am so sorry to hear of your loss but happy that Vivian can finally be at peace & whole again with our Father in Heaven. She was a very sweet lady with a beautiful smile. When mom & I would see her at dialysis she always did her best to keep a smile on her face even on the hard days, & she was always sweet to my mother. Sadly Mom passed 2 yrs ago so I haven't seen Vivian since. I pray she had a peaceful passing & I will keep your family in my thoughts & prayers.

“ I am so very sorry to hear about Vivian's passing. I always have felt like part of your family and truly enjoyed the time in our lives where we would see and be able to visit each other now and then. Please know that I have thought of all of you so often. Would wish many times that my Michael would call or run by and surprise me. I was glad to read that you all Grandpa and Grandma, too still live in Fort Collins. My love, thoughts and prayers are with all of you during this very sad time. Vivian was always concerned about her kids and loved them dearly. I am sure she was the same way with those grandbabies. My deepest sympathy and love to all of you. You are in my prayers. May your loving memories of your Mother and your Daughter be in your hearts forever. Love, Cheryle
