“ So many memories, picking strawberries or carrots feeding horses, playing cards and hearing his laugh. He taught me to ride and love motorcycles and enjoy the outdoors. I love you Uncle Walter.

“ Some of my favorite memories of Walt was always sharing our dinner with him. I always liked taking his plate over because I loved to look at his garden, flowers, and deers.
He use to let me come over and pick as many strawberries as I wanted to take home. I think I ate more than I took home.
I lived across the street from him till I grew up and moved away. It was always fun to come home and visit my family and Walt. He will be missed dearly by many.
Know my prayers are with you all this weekend. I wish we could be there to celebrate his life.
