“ Warren was my first cousin. I only met him a couple of times when I was much younger. Even though I barely knew him, it still hurts to lose a relative. I've heard many tales about Warren and all the kids who grew up on the Cumberland River! They were a bunch of rowdy boys. I wish I could go back in time and enjoy some of those experiences with them. I'm sure they're all in heaven talking about the good ole days. Rest in peace, my loved one.
