“*Mrs. Bromley- I am very sorry to hear about the passing of Mr. Bromley. Both of you were excellent teachers. I remember taking math from both of you nearly 30 years ago. Mr. Bromley was a very good, patient track coach at Bolzt- it took me about 100 tries, but I eventually pole vaulted over the bar. Ted Bateman Chapel Hill, NC b ateman@unc.edu*

“*Dear Sue, You did such an amazing job with the memorial service. I'm not sure how you did that since I know how I couldn't think clearly or accomplish much. Wayne was the best brother anyone could hope for. I have many memories of him putting his arm around my shoulder as if to say, it's o.k. Jan. He always accepted me no matter what crazy thing I had done. I will miss him so much. Thanks for being such a great sister-in-law and I look forward to future times together. Love, Jan*

“ *Sue and Adam, I cannot begin to tell you how sorry I am. Wayne was a dear friend and mentor and so much of what I am as an educator is due to his support. As a cancer survivor I take Wayne's passing and his fight against this horrible disease very personally. I ran the Chicago Marathon with the Lance Armstrong Foundation in October and Wayne was one of the people I ran for. I will miss him greatly. Our prayers are with you. Matt Switzer and family*

“ Our thoughts and sympathy are with you at this difficult time. If we can be helpful in any way, John and Barbara know how to get in touch with us. Sue, I still remember you as John's vivacious little sister who went with us all to the Shenandoah National Park one Sunday many years ago. Words fail me now. But maybe you, John, and Barbara will be able to come for a visit in the near future.
