

## William Michael Terry

August 26, 2003 - December 20, 2015

William Michael Terry, age 12 of Bellvue, Colorado, died December 20, 2015. Will was born August 26, 2003 in Fort Collins, Colorado.

Will is preceded in death by his father, Adam (2012) and his uncle, Josh (2014)

Will was loving, funny, kind hearted, helpful, responsible, honest, respectful and mature beyond his years.

Will had a passion for Christ and professed it by baptism May 5, 2012. He had great integrity and a passion for justness and expected others to be the same. He was a great leader with a strong spirit and a soft heart.

Will enjoyed making others laugh, playing with his sisters and cousins, hockey, playing by the river, being with friends, playing x-box, watching comedies, reading books, especially joke books or comics. He enjoyed hiking and exploring, swimming, playing army, capture the flag, ghost in the graveyard and family board games. He was his mom's sidekick, never too far from her side. He loved to pull pranks. He was very adventurous and brave but always gentle and cautious. He loved music, animals (he wanted a German Sheppard), he loved toddlers and holding babies. He enjoyed camping and playing at the lake, sledding and four wheelers. He even learned

to two-step and taught his siblings. He was very talented at everything he did. He loved the country, the mountains and the city.

His favorite food was Mom's chicken flavored Ramen Noodles with eggs or a good sirloin steak and he Loved chocolate, chocolate, triple chocolate everything. Will wanted to be a SWATT team officer or a soldier when he grew up.

Will was a beautiful boy with a bright contagious smile. He really was an angel on Earth. We were so blessed and are so grateful for the time we were given with him. He will be missed more than words can describe.

A Memorial Service will be held at 2:00 p.m. on Sunday December 27, 2015 at Poudre Christian Fellowship Church, 10108 Poudre Canyon Highway, Bellvue, Colorado 80512.

“ After learning of Will's death, my son, Reece, said, "Will was always smiling - he was such a funny, happy person." I simply cannot imagine the depth of your grief. No one should ever have to endure the loss of a child. Please know that our family, and all of the CLPMS family, has you in our thoughts.

“ I am so deeply sorry for your tragic loss. Brad tells me that Will was a special little boy, just as you have described him. Know that God weeps with you and understands your tremendous pain. Will is safe in his Father's arms. You will survive this, too. Day by day, breath by breath, you will survive. I've found this website helpful. Maybe it will help you, too.
