“ So sorry for your loss. I'm sure he was a wonderful husband and that family was important to him. May the peace that passes all understanding help you in this time. Our daughter, Gena, who is friends with Cody, was so glad that she was able to take the picture you used as it was a recent one. Loved ones memories are the bind that will keep them with us. Know that he is happy attending a family reunion like none before right now.
