“ Joann, Lola and family, I wish I could be there Friday. I love Wilma..she was an awesome Aunt!! I know how much you're gonna miss your mama in the days to come. We know she's present with Jesus, Uncle Red, Ronnie, Mom, Rick, Mammaw and Pappaw and all the other loved ones who have gone before. Until we see each other again, may the Lord strengthen you and continue to give you His peace. Love you, Sally and Terry
