“ This is dedicated to my Father in Law may he rest in peace. Always such a strong and healthy man doing for others as much as he can. you were gone before we knew it no time to say goodbye, god put angel wings on you and said come home now you can fly. There are no words to tell you just what we feel inside the shock, the hurt, the anger might gradually subside. A million times we will need you A million times we will cry If love alone could of saved you You never would of died. In life we loved you dearly in death we love you still In our hearts you hold a place that no one else can EVER fill. It broke our hearts to loose you but you didnt go alone for part of us went with you the day god took you home. Things will never be the same and although it hurts so bad we will smile whenever we hear your name and be proud that YOU were our dad! You are forever in our hearts!
